

Giving Tuesday Now - Please Support Northwest Compass

More lives have been impacted during this uncertain spring than any recent time in history. Maintaining stable housing, access to food and getting enough emotional support has become even more difficult.

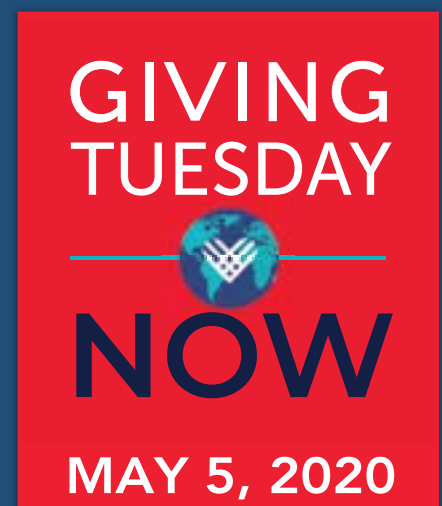

As you consider whom to support during *Giving Tuesday Now* this May 5, please choose **#NorthwestCompass**. We need your help to continue providing essential services to alleviate stress, provide food and housing security and transform lives!

Your neighbors need help more than ever now - Embrace Kindness!!
